**Dr. DAVID SWEET**

MD FRCP(C)

Sepsis Q.I. Provincial Clinical Lead  
BCPSQC

## OBJECTIVES

1. Review updates from Surviving Sepsis Campaign Guidelines 2021.
2. Learn about recent successes and future endeavours of the BC Sepsis Network / Sepsis QI in BC.

Dr. David Sweet completed fellowship positions in Emergency Medicine and Critical Care Medicine at the University of British Columbia. He is an attending in Critical Care Medicine at Vancouver General Hospital, a member of Department of Emergency Medicine, and is the Education Service Chief for the ICU at Vancouver General Hospital.

He is the Provincial Clinical Lead for sepsis quality improvement with the BC Patient Safety and Quality Council. In 2015 Dr. Sweet received the Global Sepsis award for recent advances in sepsis care in British Columbia.
