

Pediatric Critical Care Learning (PCCL) Sessions

Do you care for pediatric patients in the acute care setting?

Would you like to learn from cases of critically ill pediatric patients who present across the province?

Pediatric Critical Care Learning (PCCL) Sessions bring together providers from across British Columbia to learn from case presentations. The goal is to support the provision of high quality pediatric care utilizing best and wise practices¹. Providers from all sites are welcome to join and/or submit cases.

ABOUT THE PCCL SESSIONS:

- **Why** - Supports shared learnings from provincial cases
- **When** - 3rd Friday of every month at 1-2pm
- **Who** - Provincial and Interdisciplinary
- **Where** - Virtual (via Zoom)
- **What** - 2 de-identified cases presented by providers from a range of communities across BC
- **How** - The PICU team at BCCH will facilitate the interactive discussion
- The facilitation team is committed to supporting culturally safe and equitable care
- Sessions will not be recorded

PCCL CASES:

- Involve common pediatric acute care scenarios
- Highlight challenges in diagnosis, assessment or management
- May highlight challenges related to location or local resources
- Will include de-identification of the case
